ONLINE REGISTRATION & PAYMENT AVAILABLE AT
<http://sfpehawaii.memberlodge.org>

NFPA®'s 2018 Life Safety Code® Essentials Seminar helps you apply the 2018 NFPA 101® correctly to protect building occupants. Review concepts and earn your Certificate of Educational Achievement* online! The 2018 Life Safety Code reflects the latest technologies, design approaches, and challenges, and this high-impact seminar provides the tools you need to confidently apply or enforce requirements. Topics span means of egress, determining occupant load and egress capacity, requirements for protection of vertical openings and hazardous areas, high rise buildings, and determining requirements for building services and operating features. A special section covers building rehabilitation. NFPA's training presents a unique opportunity to practice LSC application in a classroom activity based on a realistic scenario. Under the guidance of Code experts, participants will work through a fully developed case study selected to help solidify knowledge. It's excellent training for facility or risk managers, authorities having jurisdiction, safety directors, and anyone responsible for occupant safety and compliance.

Cost: Early Registration (on or before September 4, 2018) \$1295
(for 3 or more from same organization \$1095 ea)
After September 4, 2018 \$1495
(for 3 or more from same organization \$1295 ea)

Please register early as we expect this to be a very popular seminar. Reservations and cancellations will not be accepted after that date.

NO-SHOWS WILL BE BILLED FOR FULL ATTENDANCE.

Telephone reservations will be accepted provided they are followed by written confirmation and payment. You can become a Chapter Friend for \$20 annual fee, register at <http://sfpehawaii.memberlodge.org>

Seminar attendees will receive a copy of NFPA 101, seminar workbook, certificate of completion, and 2.1 ceu's or **21 AIA Learning Units in the Health, Safety, & Welfare category**. The registration fee also includes lunch & coffee breaks each day.

Instructor: The seminar will be taught by Jim Lathrop, of Koffel Associates. Mr. Lathrop has served as a LSC instructor for NFPA for several years and is a member of the NFPA 101 Technical Committee on Means of Egress and is chair of the TC on Residential Occupancies.

Location: The seminar will be held at Hale Ikena, the Golf Clubhouse at Fort Shafter, Honolulu, Hawaii. A map can be downloaded from the website at www.sfpehawaii.org. Parking is available at no charge.

Payment: ONLINE REGISTRATION & PAYMENT THROUGH PAYPAL OR CREDIT CARD AVAILABLE AT
<http://sfpehawaii.memberlodge.org>

Payment may also be made by check or money order accompanying the Registration Form below. Make checks payable to **Hawaii Chapter SFPE** and mail to Hawaii Chapter SFPE, c/o 501 Sumner Street, Suite 421, Honolulu, Hawaii 96817.
